List of Reading Assessments

This list is not meant to be a list of ‘approved’ assessments, nor is it intended to be all inclusive. The assessments listed here are not necessarily good or bad. This is just a resource to provide you with information to help you in determining which assessment would provide the most beneficial data. The Department is in no way endorsing any of the assessments listed here.

This list is intended to be a resource to assist you in researching assessments. The Department is in no way endorsing any of the assessments listed here. Before choosing assessments for your school and students, make sure each assessment is thoroughly researched by your school staff. This is a fluid list of resources of available assessments. The DPI welcomes suggestions and comments and we would be glad to add to this list if you contact us and provide us with information on other assessments.

You will find the following headings below:

- Reading Assessments Listed on SEDL
- Reading Assessments for Older Students
- Additional Reading Assessments

Reading Assessments Listed on SEDL

The Southwest Educational Development Laboratory (SEDL) is a private, nonprofit education research, development, and dissemination (RD&D) corporation based in Austin, Texas. Improving teaching and learning has been at the heart of SEDL’s work for the past 40 years. SEDL has a list of 80 different assessments with information on each one. The assessments listed on the SEDL are more specifically for grades K-3; however, some are appropriate for higher grades as well. Assessments listed on the SEDL link (http://www.sedl.org/reading/rad/database.html) include the following:
